Dear Mildred,

Enclosed is the Newcomb Incentive Award of 1986, presented to you.

I was proud and happy to receive on your behalf on Saturday evening, May 25, 1986, at the University of British Columbia, 1986 Annual Georgist Conference in North America.

Now it is my easy duty to send it to you. I understand Steven Cord has written to you, telling you about it.

You may be interested to learn that the presenter of the Award was Edward J. Dodson (on behalf of the Henry George Foundation of America). Ed is now President of the Henry George School in New York. You wrote to me in 1982 suggesting that he head the HG School -- now your advice has been followed!

As for myself, I am taking an indefinite leave of absence to try my hand in the book publishing/distribution business with Laissez Faire Books. I will of course keep in close contact with Bob Clancy, the Council, and HG Institute. Let me thank you here, as I did in public at the Conference in May, for starting me on my Georgist education (way back in 1975 at Heathcote). Your friendship remains a very inspiring and valuable one to me.

Love and best wishes to you and True,

Mark A. Sullivan  
Secretary
