Dear One -

Good news about
Borsodi - Loomis Memorial
Library!

Davidson College, N.C.
will have much of it, plus
the Archives except amounts
of issues I can send as requested.
Dr. Park will share archives,
& even some books with any
library that goes in for research.

However, I ~~to~~ went
thru the books last year
while moving from one room
to another in the 501 building
& have saved almost half
that I couldn't bear to move
away from entirely - saved
them for a 501 library wherever
501 office is (here, Sonnewald, now.)
