Dear Sirs:

We have seen a review of your book, "Land Readjustment: A Different Approach to Financing Urbanization" edited by William A. Doebels, in the Journal of the Institute for Socioeconomic Studies.

This is just the sort of book that interests our readers, and I wonder if it would be possible for you to send a copy to us for review. If so, please send to the New York address.

Please let us know if you will do so, and thank you for any consideration.

Sincerely,

Robert Clancy
